

DECAF

COMPOSTABLE CAPSULE¹

Characteristics

COMPOSITION

Roasted ground decaffeinated coffee, with no added ingredients. A carefully blended mix of *C. Arabica* e *C. Canephora* (sub. *robusta*) coffees, selected at their origin.

GENERAL CHARACTERISTICS

This product is similar to coffee in all aspects except for its caffeine content, which is practically zero as the caffeine has been removed. It has been specially created for people with low caffeine tolerance, or those who cannot drink coffee for health reasons.

ORGANOLEPTIC CHARACTERISTICS

Appearance - Rich persistent creamy foam, with hazelnut colour.

Aroma - Aromas of caramel, cocoa and dried fruits.

Taste - Elegant acidity. It is intense, with medium body and has a persistent finish.

PACKAGING

Individual - Packaging performed in a protective atmosphere in a PLA (polylactic acid) capsule obtained from natural and renewable sources (containing starch or sugar, such as corn, wheat, sugar cane, beetroot, including other natural sources), sealed with a film composed by a mixture of paper and PLA. The capsule and the film sealing are biodegradable and compostable allowing therefore the total preservation of the environment.

Package | Sales Unit - 100% recyclable cardboard box with FSC certification, containing 10 individual doses. FSC certification assures that the cardboard used by us for the box comes from responsibly managed forests. It is a certification that ensures that the cardboard in our boxes comes from forests managed responsibly.

Shipping Box - 100% recycled corrugated board, containing 6 sales units.

Useful Information

CONSUMPTION

- Torrié capsules are 100% compatible with machines that use this format¹ and can be used directly without any type of alteration or modification.
- To make the best coffee, warm the cup first.

STORAGE

Keep in a cool dry place.

MINIMUM SHELF LIFE

24 months after packaging.

The compostable capsule due to its natural characteristics and, despite of its full leak tightness, can't assure full airtightness to oxygen. Therefore, they are packed in a 100% recyclable flow pack assuring the quality and freshness of the product during its shelf life.

¹ Compatible with Nespresso® equipment.

* Nespresso® is a registered trademark, owned by a third party not related to Torrié, mentioned to consumer's information purposes.
